After Camp 3:00pm - 5:00pm \$60 per week (\$12 per day)

Discounts available for Pre-pay, and Before & After Camp combo.

### GROUP 1

**Ages 3 - 7 years**

**WEEK 1** July 11 - 15 **SUMMER'S GARDEN:** Plant a small vegetable garden and tend to Mother Earth and her creatures among the garden.

**WEEK 2** July 18 - 22 **BUTTERFLIES AND BUGS:** Summer's warmth allows time to enjoy observing and catching our beautiful flying and hopping insect friends.

**WEEK 3** July 25 - 29 **FAIRIES, KNIGHTS AND DRAGONS:** Help to build your own "castle" in our sandbox, while whittling away at a knight's sword to protect the woodland fairies that might venture from out of the fairy houses.

**WEEK 4** Aug 1 - 5 **WATER, WORMS & WONDER:** What is summer without water play? Clear, clean water to splash in; muddy, dirty water to roll in— whatever you choose, it's all fun!

**WEEK 5** Aug 8 - 12 **HOES, HANDS AND HARVEST:** See what abundance abounds after the warm sun has been kissing the blossoms for weeks!

### GROUP 2

**Ages 8 - 12 years**

**WEEK 1** July 11 - 15 **SUMMER'S GARDEN & NATURE'S COLORS:** Work together to create a small organic garden while expressing the beauty of summer's colors on canvas.

**WEEK 2** July 18 - 22 **WILD AND WONDERFUL WATER:** Enjoy a hike along one of our area trails, enjoy a day of fishing or frog catching and dip your oars into the shimmering waters of our local lakes.

**WEEK 3** July 25 - 29 **ARCHERY/FENCING:** Hone your skills in a sport that requires concentration, sportsmanship and enthusiasm. Craft your own bow and arrow for sport or marksmanship.

**WEEK 4** Aug 1 - 5 **PRIMITIVE SKILLS:** Fire making, shelter building, identifying medicinal and edible plants are all areas that will be explored through observation, training of the senses and awareness of nature.

**WEEK 5** Aug 8 - 12 **HARVESTING AND COOKING:** Learn the skills of bringing a harvest from farm to table. We will enjoy the culmination of all of our efforts with a banquet to be created and served by you at week's end!
